Build Your Brand in South Africa

For more than a decade, Big 5 Construct South Africa has been bringing together key industry buyers looking to source the latest set of products and services for their ongoing and upcoming construction projects.

By exhibiting, you will have an opportunity to showcase your products to over 8,000+ buyers from the construction industry in South Africa.

Secure your stand at the Big 5 Construct South Africa and get ready to elevate your daily business operations.

This exhibition has been a brilliant experience as it has been a one-on-one marketing tool. We get to interact with a lot of SMEs which is part of our strategic intent. It is good to see that there are a lot of government interventions, a lot of government representation and a lot of industry body representation.

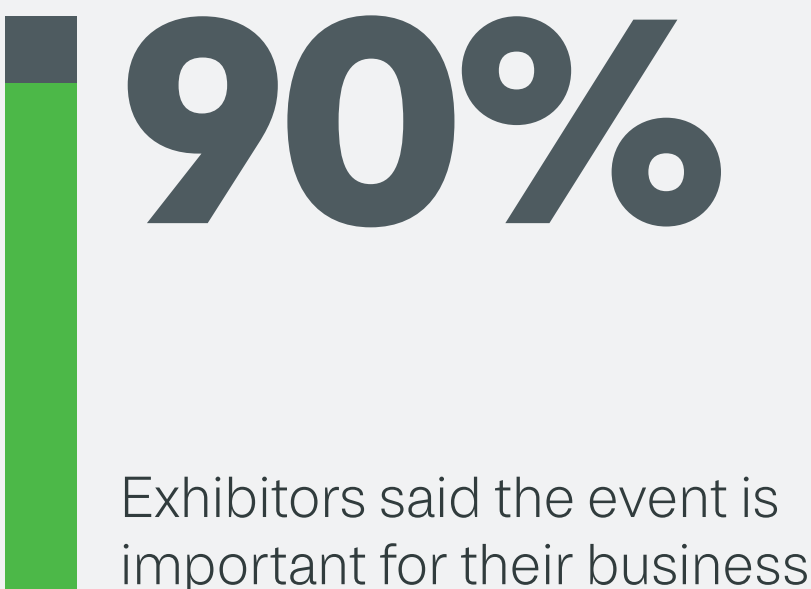

Rajesh Harripersadh, General Manager, PPC Cement SA

Boost your sales following the success of the 2023 edition
