- Real-time lead capture and viewing on and off the show floor
- Export leads to Excel for easy follow-up
- Instantly email prospects from the system to request follow-up
- Post-show real-time reporting and analytics
- Edit and qualify leads with notes
- Compatible with iPhone and Android devices
- Works with or without internet connectivity
- Single login for multiple users in a single company

FREE Lead Retrieval App for Exhibitors

"The App's responsiveness was perfect, and its ease of use, reliable data, and performance were truly appreciated."

Follow these 4 simple steps to download your scanner:

- Search for 'dmg events Lead Retrieval' in your App Store
- Download the App
- Enter the logins provided by the organizer
- You are now ready to scan your leads

Please note that logins will be sent two weeks and one day prior to the event.
