# Fostering vital connections between key buyers and exhibitors in Nigeria's construction industry

- The 4th edition of Big 5 Construct Nigeria took place from 24 September 2024, showcasing 145 exhibitors from 21 countries, including pavilions from Austria, China, Egypt, Germany, Italy and Türkiye.
- The event attracted 9,279 buyers and specifiers, with key disciplines represented by contractors, architects, engineers and distributors.
- The event featured 26 CPD certified Big 5 Talks, led by 49 speakers. These sessions were attended by 5,300 industry professionals, each earning points towards their annual training and development quota.
- Exciting new features, such as the Screw It Challenge by Bosch and Sketch Your Experience, were standout highlights, enhancing the overall visitor experience.

# 5,300 industry professionals were certified at the event

For three days, industry-experts witnessed active participation in the Big 5 Talks. The audience comprised contractors, architects, project managers, quantity surveyors, engineers and property developers. The Big 5 Talks not only facilitated a valuable exchange of knowledge but also offered a networking platform for industry professionals to interact with some of the foremost experts in the field.

## Why exhibit and sponsor Big 5 Construct Nigeria in 2025

- Connect directly with active buyers, influential industry professionals and government stakeholders in Nigeria's thriving construction sector.
- Network directly with industry leaders and decision-makers, creating opportunities for strategic partnerships and collaborations that can drive your business growth.
- Utilize the platform to launch new products or enhance sales of existing product lines, leveraging face-to-face interactions with your target audience.
- Gain competitive intelligence that can give you an edge in the market.

**Exhibit** at an event organized by experts with over four decades of experience in organizing events across emerging markets.
