SUPPORTING THE DELIVERY OF PROJECTS IN THE BOOMING LANDSCAPE OF SAUDI ARABIA

Saudi Infrastructure Expo 2024 witnessed 21,307 key stakeholders congregate in Riyadh to strike deals, source solutions, learn from those delivering mega projects and network with like-minded professionals. The event was opened by His Highness Prince Dr. Faisal bin Abdulaziz bin Ayyaf, Mayor of Riyadh Region and Chairman of the Board of RIPC, the Riyadh Infrastructure Projects Centre. The Kingdom is set for unprecedented growth in civil infrastructure projects and this event supports the delivery of the projects key to the realization of Saudi Vision 2030.

This comprehensive three-day event featured the Saudi Infrastructure Summit, Infra360 Sessions and sold-out exhibition halls. With a keen focus on enhancing project delivery mechanisms and harnessing cutting-edge technologies, it's a crucial platform for industry leaders to explore product offerings and strategies to address the nation's evolving needs. It provides firsthand technical skill-building and tangible business opportunities to companies operating in the infrastructure sector from planning and design to construction and management of assets.

SUMMIT OVERVIEW

ATTRACTING SENIOR PROFESSIONAL VISITORS AT THE FOREFRONT OF INFRASTRUCTURE.

The Saudi Infrastructure Summit organized by dmg events and Riyadh Infrastructure Projects Center brought senior private and public sector stakeholders together to collaborate and deep dive into discussions on navigating the complexities of a rapidly evolving infrastructure ecosystem.

These inspiring conversations, debates and interactive learning experiences support the delivery of Saudi Vision 2030. The Summit also facilitates the government's targets to have next generation infrastructure fit for the growing population and provide it's citizens with cities of the future.

EXHIBITOR & SPEAKER TESTIMONIAL

We have the exposure to all the infrastructure supply chain. We are building water desalination plants, building power stations and other infrastructure projects. Our aim is to be more exposed to the contractors and the partners who will assure we have the right technical partners to pursue opportunities.

AMR SALAH
CEO Infrastructure & Utilities at Ajlan & Bros

ADVISORY BOARD

The Saudi Infrastructure Summit is guided by a distinguished Advisory Board composed of industry leaders, visionaries and experts who are playing a pivotal role in shaping the infrastructure landscape in Saudi Arabia and beyond. Their extensive knowledge, insights and experience ensure that the summit's content is relevant, impactful and aligned with the nation's ambitious goals. This enables the event to attract thousands of qualified professional visitors who really add value.

The collective expertise of our Advisory Board ensures that the Saudi Infrastructure Summit drives the nation's infrastructure transformation. We express our gratitude for their dedication and contributions to making this summit a success.
