Connecting key buyers and exhibitors in Nigeria's construction industry

- The 5th edition of Big 5 Construct Nigeria was held on 23 September 2025, bringing together 161 exhibitors from 18 countries, with national pavilions representing Austria, China, Egypt, Germany, Italy and Türkiye.
- The event welcomed 9,806 buyers and specifiers, including leading contractors, architects, engineers and distributors.
- The event featured 29 CPD-certified Big 5 Talks, led by 48 speakers and attended by 1,621 industry professionals, each earning points towards their annual training and development quota.
- The Screw It Challenge by Bosch gave visitors a hands-on test of precision and speed, with participants drilling and driving screws against the clock to win giveaways and special prizes.

Why exhibit and sponsor
Big 5 Construct Nigeria 2026

- Connect directly with active buyers from Nigeria's construction industry, valued at over **$108 billion.**
- Network with industry leaders and decision-makers, creating opportunities for strategic partnerships and collaborations that can drive your business growth.
- Position your company as a key player in Nigeria's construction sector, increasing your brand's visibility and impact.
- Use the platform to launch new products or boost sales of existing product lines through valuable face-to-face interactions with your target audience.
- Gain market insights and competitive intelligence that can strengthen your market position.

> At Big 5 Construct Nigeria, we engage with the full spectrum of the construction community, from contractors and consultants to distributors and architectural engineers. The event offers exceptional visibility for our company, enhances our brand presence in the industry and fosters valuable connections with key stakeholders and businesses.
